

LAZER

HIGH PERFORMANCE LIGHTING

LINEAR-6

Where the requirement is for an economical auxiliary lighting solution, that still provides for superior high beam lighting performance when compared to any OE headlamps, then the Linear-6 delivers. Like all Lazer products, the lamp is manufactured in the UK to exacting standards, with the build quality and performance assured, and backed up by our comprehensive 5-year warranty. The Linear-6 utilises highly efficient 3W LED technology, which combine to deliver 2,250 lumens, and 1 Lux to near 250m; impressive considering the lamp only consumes 21W and with a current draw of 1.5Amps.

HIGH PERFORMANCE LED DRIVING LAMPS

LINEAR

LINEAR-6

- Economical solution for everyday road use
- Vacuum-metallised optics deliver wide spread of light
- Reduced up/down spread of light suits lower mounting positions
- Highly efficient 3W LED technology
- Sleek, low profile design facilitates installation
- Designed & manufactured in the UK
